BESKRIVNING

It's easy to fall in love with ever-beautiful Stockholm. Our capital is so full of life, and any day you choose you can enjoy the finest and most exciting in theatre, exhibitions, and live music. Added to that, Stockholm is full of charming restaurants, trendy bars, and great shopping. And that's before you get to the beautiful green spaces, such as Djurgården or the stunning archipelago. The journalist Johan Lindberg is a passionate Stockholmer, and in his inspiring guidebook *My Stockholm* he has brought together all his favourite spots and his best tips for visitors to our capital. He'll take you to the cosiest cafes, the best vantage points, and the coolest shopping. Enjoy the evening sun in Ivar Lo Park, throw yourself into the nightlife in Stureplan, or discover the picturesque alleys of the Old Town! Johan will also point you to rather different and imaginative experiences, such as visiting Karlsson-on-the-Roofs home turf or exploring the Brunkebergåsen tunnel system in the city centre. *My Stockholm* is the guidebook for anyone who wants to experience the real Stockholm, beyond the usual tourist spots!
